For removing Paint and Varnish use TAXITE—quick—easy—thorough—economical—can be used by anyone—on any surface.

THE SHERWIN-WILLIAMS Co.

For cleaning painted and varnished surfaces use FLAXOAP. Made from linseed oil—contains no free alkali—restores original luster.

TO GET THE BEST RESULTS

Follow the recommendations on the Sherwin-Williams Painting Guide, and you will use the right materials for the right purpose. Most complaints come because wrong products were used. Buy the right ones and buy them from your Paint Headquarters—the local Sherwin-Williams Agent.

And if you have a good-sized job, hire a reputable master painter to do it for you. He knows his job. He takes pride in his work. Good materials and good workmanship are necessary to every painting job to give the maximum satisfaction, and with Sherwin-Williams Products and a good painter, you have that combination.
